

Technical drawing of a storage unit, showing two views: a perspective view (top) and a side elevation view (bottom).

Perspective View (Top):

- Overall width: 2098.0
- Overall depth: 688.0
- The unit is divided into four vertical compartments by three vertical dividers.
- Each compartment contains a horizontal shelf.
- Diagonal hatching is used to indicate the material or structure of the shelves and dividers.

Side Elevation View (Bottom):

- Overall width: 2098.0
- Overall depth: 688.0
- The unit is divided into four vertical compartments by three vertical dividers.
- The top section has a height of 728.0.
- The main body has a height of 1582.0.
- The base section is divided into five vertical sections with the following widths from left to right: 411.0, 394.0, 394.0, 317.0, and 352.0.
- The bottom section is supported by a series of vertical dividers.
